

# COLOUR YOUR dreams

Accent colours for walls

"Why not use your walls for friendly messages or as a memo board!"

## TAFEL

Acrylic paint, can be written on with blackboard chalk – opaque

**Texture & effect:** can be written on with blackboard chalk and cleaned with water, good coverage, water-resistant, light-fast

**For use on:** walls, paper, wood, MDF, metal, canvas

**Application:** painting – apply without diluting!

**Paint application with:** paint roller, brush

*Marabu bonus:*

Blackboards don't always have to be black – have you ever seen blackboards in such beautiful colours?

0259 25      225 ml can

## MAGNET

Acrylic primer, for magnetic surfaces – opaque

**Texture & effect:** after drying a magnetic surface is created, can be painted over with Marabu paints, good coverage, water-resistant, light-fast

**For use on:** walls, paper, wood, MDF, metal, canvas

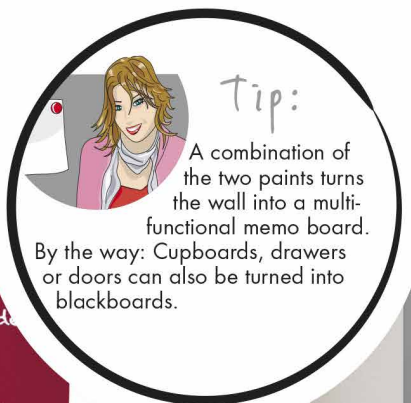

**Application:** painting – stir before use, do not dilute, several coats (3-4) increase the magnetic effect

**Paint application with:** paint roller, brush

*Marabu bonus:*

After drying, paint over the base coat with an Edel matt colour to turn your magnetic wall into a true highlight for your home.
