Marabu Cleaner

For pre-cleaning porcelain and glass surfaces before painting.

1304 05 000 50 ml jar
1304 79 000 100 ml aluminium bottle

Outline technique using Relief Paste

1 Clean object thoroughly before painting. Place the template under the glass pane and trace the outline with the Marabu Relief Paste.

2 The Relief Paste should dry for approx. 30 min., then fill in the design with the glass paint. Leave everything to dry and enjoy your work of art.
