6 x 15 ml (021, 038, 095, 067, 070, 073), instructions

Marble effects with Easy marble

1 Fill container with cold water. Shake 2-3 colours well and place a few drops at the centre of the water surface. Immediately create a pattern in the surface.

2 Slowly immerse the ball or polystyrene egg into the container until it is fully submerged. Pull out quickly and leave to dry.
